

## **NEWSLETTER SEPTEMBER, 2010**

**Where has the summer gone?! Are we having fun yet?! September is going to be a busy month for the Willows Community.**

**An important request – The Sunshine Committee would like to ask that each resident of the Community participate in the “Buddy System”. Please ask a neighbor or friend to check up on you every day. A simple sign – a closed (for night time) and open (for day time) window shade or blind – is all that you have to do to let your friend/neighbor that you are alright. You can also set up something else – just please do the “Buddy System” – it could save your life!**

**Are you interested in getting a flu shot this fall? We are trying to make arrangements with the pharmacist at Walgreen’s to administer the shot to any resident of the Willows that is interested. The shot would be free to you – the only requirement is that you are on Medicare. Please sign up on the “Flu Shot” listing in the office or call Barb and have her add your name to the list. As soon as we know how many people are interested, further information – including the date and time – will be posted in the mail house.**
